

# New publication

Step 1 of 2

Next

Name\*

Type your publication’s name

Link : medium.com/

Tagline\*

Type a tagline

This will appear on your publication homepage and helps readers understand your publication.

Description\*

Type a short description

This will be used in footers, search results, and other places.

Publication avatar\*

Add image...

This works like a user icon and appears in previews of your publication content throughout Medium. It is square and should be at least 1000 × 1000 px in size.

Items marked with \* are required.
